

McCarty Equipment Opens San Antonio, TX Branch

ABILENE, Texas – McCarty Equipment Co. Ltd., a subsidiary of GHX Industrial which is a wholly owned subsidiary of The United Distribution Group, announced today the recent opening of a new location in San Antonio, Texas. The 6,000 square foot facility will provide value added services to customers in the Eagle Ford Shale Play in South Texas. Value added services include hose crimping, hose kitting, vendor managed inventories, custom fabrication of hose and a wide selection of industrial and oilfield products.

“Providing comprehensive support with an unyielding focus on quality to our customers is an ongoing strategic focus for the United Distribution Group. Ensuring our locations are convenient and accessible is a key factor to our continued success as an organization, and opening a location in San Antonio was the next logical step,” said Darrell Cole, President & CEO of The United Distribution Group.

Richard Harrison, President of GHX Industrial stated “We are pleased to welcome Ryan Kelley as the Branch Manager for our San Antonio branch. Mr. Kelley was most recently the Branch Manager at the Kenedy, Texas location.”
